TOOL BELT MASSACRE

“Feel free to join us,” Catherine Olivetti told Georgia O’Hara. “The more the merrier. And I can’t think of a more worthwhile cause . . .”

“I’d love to,” Georgia lied. “Really, I would. But I have an important appointment . . .”

Catherine accepted the explanation without further comment, leaving her coworker alone at the seventh floor window of their office suite.

Georgia continued to watch the controlled chaos on the avenue below. Angry women—and a few men—had blocked the theater’s entrance, some waving crudely painted signs. Police presence was high; officers had erected sawhorses to separate the protestors from the heavy midday traffic.

A low budget horror film had incited the group’s wrath. Tool Belt Massacre was violent filth of the worst kind, they claimed, the sort of trash which glorified violence against women. The film’s marketing materials had added much fuel to the fire, especially the oversized billboard atop the theatre.

Looming above the marquee, the giant illustration depicted a construction worker from the neck down. The worker held a blood-dripping hammer in one hand; a young lady’s severed head in the other. But that wasn’t all. As a final flourish, the illustrator had endowed the tool belt-wearing, blue-jean clad killer with a sizable erection.

The billboard had dominated office chatter for days. Catherine had gone so far as to close the blinds in her office, forgoing natural light in order to block out the offending image. Georgia was sure that others had done the same.

The billboard was distracting and impossible to ignore. Georgia loved the thing. She found it fascinating. Mesmerizing, even. And more than a little titillating.

The rugged killer was hung like a horse; his tight-fitting denims accentuated a hard-on the likes of which she had only dreamed about. Unlike Catherine and her outraged toadies, Georgia could overlook the bloody hammer and the severed head. She could focus solely on the impressive tool just below the killer’s titular belt.

Sighing with frustration, she turned away from the window grudgingly as Catherine and the others prepared to leave. Her coworkers would be spending the

next hour marching in front of the theater, skipping lunch in order to join the protest.

“Screw that noise,” Georgia muttered to herself. “I’m starving.”

She knew just the place where a hungry gal like herself could get her fill.

And then some . . .

The construction site was five blocks from her office. There was a poorly maintained park across the street. When the weather was nice Georgia liked to sit in the park and eat her lunch. Brown bag special, she called it.

The weather was nice today. Still, she had left her lunch in the refrigerator at work. She had no intention of eating. Not food, anyway. And certainly not in the park.

Crossing the street from the park side, Georgia saw the construction workers checking her out. This was nothing new. They had checked her out before; some of them had even whistled and catcalled while she ate her lunch.

She loved the attention. It was nice to know that men found her attractive.

Georgia had never reciprocated, of course. She wasn't that bold. But now, thinking about the billboard with its well endowed subject, she was ready to change that.

She hopped the curb and slowed deliberately, swinging her ass for full effect. The set of her face, the way she carried herself, everything said I'm available, boys . . . come and get it . . .

Georgia stopped beside an unoccupied bus bench and reached into her purse. She made a show of producing a pack of cigarettes, an even greater show of realizing that she didn't have a lighter.

The ploy worked to perfection. A ruggedly hand-

some construction worker came to her rescue. He struck a match, lighting her cigarette before stoking his own.

"Thanks," she said.

"You bet," he replied.

Georgia stood there smoking her cigarette, feeling like a femme fatale in a noir film. The tension between them was a palpable thing.

"Nice tool belt," she told him.

"You like that, huh?"

"I do," Georgia said, "but I'd like it a lot better if you took it off . . ."

No sooner had the tool belt hit the dirt than Georgia, down on her knees, clawed at the zipper of his well worn jeans. The construction worker had led her to a

suitable spot between neat stacks of particle board and a towering bundle of steel beams, the latter effectively concealing them from the busy street as well as his co-workers.

Now, having freed his impressive cock, Georgia proceeded to gobble him in earnest. Holding its thick base, she pumped her head to and fro, moaning and groaning as she sucked his dick. She caught a glance of his tool belt in her peripheral vision, a glance which heightened her excitement as she thought of the billboard.

If Catherine and the others could see her now—well, they would flip out, for sure.

Georgia came up for a much needed breather, sucking in a lungful of air while stroking the workman's cock. She jerked him frenziedly, pumping and priming his pole. Then, having captured her breath, she went back to giving head.

Grabbing a handful of Georgia's brunette hair with one hand, the back of her slender neck with the other, the workman thrust his hips repeatedly, fucking her face with fierce jabs. The head of his prick pressed the back of her throat. She gagged. Frothy spit seeped from her lips and ran down her chin.

It was the sloppiest head Georgia had ever given, by far. And it turned her on immensely. Her pussy was wet. She was ready for a thorough pounding.

The workman was ready to give it to her. He withdrew from her mouth. "Hop up here," he told her, indicating the nearest stack of particle board.

"I can't." Georgia frowned. "It's too high."

He removed the topmost sheet. Still, the stack was too high. He removed two more, dumping them on the ground.

"How's that?"

Georgia hoisted herself atop the stack with ease. "Perfect."

Her feet dangled inches above the ground. She leaned back on her elbows, watching with anticipation as the workman, jeans bunched around his thick soled boots, scooted forward. He pushed a fashionable corduroy skirt above her slender hips; then he removed her cotton panties.

Georgia spread her legs. "Do it," she urged breathily. "Fuck my dirty little cunt . . ."

The workman granted her wish, plunging his manhood into her tight gash. She grunted and raised her knees. He worked his powerful hips, driving himself into her again and again, going deep with each thrust.

"Unbutton your blouse," he told her. "I want to look at those titties while I fuck you . . ."

Georgia made short work of her top and bra. The air felt good on her exposed mounds, though not near-

ly as good as her deft fingers. She rubbed and pulled at the pliant flesh, working herself into a paroxysm of lust that only a big fat cock could sate.

The workman nodded appreciatively. "Oh yeah. Those are nice. Those are real nice."

Then he resumed fucking her, faster this time, much faster, hammering her hole relentlessly.

The partially completed high rise towered above Georgia, a cloudless azure sky visible through its skeletal frame. Beams crisscrossed in dizzying patterns, throwing spindly shadows while serving as pedestals for workers while they ate their modest lunches and enjoyed the spectacle of their fellow construction grunt getting laid on company time.

Let them watch, Georgia thought. She didn't mind, not one damned bit. It was a major turn on, having at least half a dozen hardhats enjoying the live

Now here was a man who knew what he wanted, Georgia thought, and wasn't afraid to take it! She leaned over the stacked boards, supporting herself with her forearms. The workman lifted her skirt, exposing her taut bum to his coworkers who had begun to hoot and holler appreciatively.

"Fuck her good, Chet!"

"Do her, man!"

"Make that pussy come, Chet!"

So his name is Chet, Georgia mused. Short. Simple. All-American. It fit him perfectly.

"You heard them, Chet," she said over her shoulder. "Bang me hard . . ."

Chet guided his cock inside her. The new position granted him deeper penetration. Georgia's face twisted with delight; her tits swayed like pendulums above the uppermost board as Chet banged her good and proper.

He thrust his pelvis with a frenzied stabbing motion, doing his damndest to make her come.

The slap-slap-slap of copulating flesh competed with the usual city sounds—bleating car horns, the hiss of a bus's air-brakes, the rumble-grumble of an elevated train. Despite the urban cacophony, Georgia could hear Chet's coworkers as they spurred him on.

He made her come, gifting her one of the strongest orgasms of her life; then he pulled out and blew his wad all over her ass. The hard hats clapped and whistled and roared as a commercial jet cut across the sky, its phallic-shaped fuselage boring through the stratosphere.

Despite being pressed for time, Georgia bought a hot dog from a street vendor. She arrived at the office with seconds to spare.

Catherine and her crew had already returned from the protest. Their faces glowed with self-congratulatory pride.

Having participated in the big march, they exuded an aura of smug superiority which Georgia found really annoying.

She tried her best to ignore them. Sitting at her desk, she ate her hotdog and sucked on a diet soda. She had given her phone number to Chet. He had promised to call her later in the week. She hoped his word was good. A regular thing with a guy like that would improve her outlook on life dramatically.

Maybe they could catch a flick, a slash and hack number with lots of gore.

She knew just the one.

sex show. And she was the lead, the female talent, the one who held their gazes tightly and refused to relinquish her spell.

The workman was fucking her good, plowing her poontang like a real pro. She had lucked up with this one, for sure—a dying breed, this rugged blue collar type, a good old fashioned stud who knew how to use his tool.

His coarse hands gripped her bony hips, pulling her from the particle board bed until her feet touched the ground. "Turn around," he told her, "and bend over. I want to come all over that tight ass of yours."

After waiting for her man to come home and fuck her, the first thing he does is nap on the couch. Ally knew what he couldn't resist for long, and quickly donned her sexiest lingerie. Plumb the Depths

My landlady and her girlfriend lived upstairs. I hated to burden them with maintenance issues...

“Shit!”

Having depressed the flush lever, I watched an unsightly tide of water rise within the toilet bowl, cascade over the lip, and splatter the bathroom floor. My morning piss had turned into a plumbing nightmare.

What a way to start the day! Luckily it was Saturday. I didn’t have to go to work. My hygiene routine could take a back seat to calling my landlady and reporting what had become a chronic problem.

“Hey, Gus,” Teresa answered promptly.

“Sorry to disturb you,” I said into the phone, “but it’s happened again.”

“You’re kidding, right?”

“Afraid not.”

Teresa sighed audibly. No doubt she had grown weary of the persistent plumbing issues plaguing her rental property. I felt sorry for her. After all, she was the one who had to pay for the costly repairs.

“I’ll call the plumber pronto,” she said.

“Thanks, Teresa.”

“In the meantime feel free to use our bathroom. I’ll leave the connecting door unlocked.”

My landlady and her girlfriend lived upstairs in the house proper. I hated to burden them with maintenance issues, especially on the weekend, but I had no real choice in the matter. Mother Nature waits for no one.

When you’ve got to go—well, you’ve got to go.

And after downing two cups of strong coffee I really had to go. A

narrow set of wooden steps ascended from my kitchenette to the house up top. True to her word, Teresa had unlocked the connecting door. Still, I knocked to announce my presence.

Kay, Teresa’s girlfriend, was curled up on the sofa reading a paperback novel. Phone pressed to her ear, Teresa paced the living room floor. Kay acknowledged my presence with a bemused smile. “The plumber has her on hold,” she told me. “Go ahead. The shitter is all yours.”

I entered the hall bathroom, locked the door, and sat down to do my business. A few magazines were stacked atop the toilet tank. I peered disinterestedly at the ho-hum covers—current events, politics, ce-

lebrity gossip—until a racy number grabbed my attention . . .

The girl on girl porno magazine was scorching hot, so much so that I half-expected its glossy pages to singe my fingers. Having completed my business some ten minutes prior, I remained on the porcelain throne devouring each and every torrid page.

Finally I cast the magazine aside, washed my hands, and exited the bathroom.

Teresa had joined Kay on the sofa. They were making out big time, kissing passionately and engaging in some seriously heavy petting. I stopped en route to the connecting door, utterly transfixed by the spectacle of my lesbian landladies inter-

locked in fiery passion.

Apparently they hadn't heard me finishing up in the bathroom; either that or they just didn't give a damn about my witnessing them in the throes of intimacy.

I tried to slink out of there undetected, tried and failed.

"Hold up, Gus," Teresa said, freezing me in my tracks. Hand clasping the doorknob, I turned to face her. "The plumber," she continued, "won't be here for at least an hour. Why don't you stick around?"

"Yeah." Kay patted the sofa cushion. "Have a seat."

Teresa regarded me with a knowing smile. "I see you found our dirty magazine."

Her gaze dipped to my midsection, settling on the raging hard-on visible beneath my board shorts. She was right. The magazine had turned me on in a major way; this coupled with my glimpse of the two of them making out.

"A hard cock," Kay remarked, "is a terrible thing to waste."

I had intended to go downstairs and rub one out in the privacy of my apartment.

Plans had changed.

Teresa, a tall and gangly olive skinned hottie with curly brunette hair, buried her face between Kay's thick legs. Kay, a short blonde with big tits and a big ass, writhed atop the sofa, moaning delightedly as Teresa licked and lapped her pussy.

I sat beside them, my left thigh providing a pillow for Kay's head, and stroked my cock vigorously. Teresa knew just how to pleasure her partner. Tonguing Kay's clit, she proceeded to slide a finger into the blonde's asshole.

This drove Kay wild with excitement; her head thrashed atop my thigh, her blonde locks rubbing my skin as I continued to jerk my prick.

Suddenly Teresa stopped in mid-action; she raised her head and regarded me. "Get back here," she said, "and stick that big cock in my

pussy."

I moved my leg from beneath Kay's head, replacing it with the nearest throw pillow. Then I got up and moved behind Teresa. Knees sinking into the plush sofa, marveling at the glorious sight of my landlady's skinny ass, I guided my dick into her gash.

Teresa shuddered when I entered her. Still, she kept right on munching Kay's muff, never pausing in her relentless mission to make her lover come.

My new position afforded me a spectacular vantage point of the tawdry tableaux. Pounding Teresa from behind, I enjoyed a stellar view of her ass, as well as Kay's magnificent tits.

Speaking of tits—Kay squeezed hers, squeezed and kneaded and plied those ample mounds as Teresa, slowly but surely, brought her closer and closer to orgasm.

Holding Teresa's bony hips, I thrust repeatedly, plunging my rigid member into her cooze. Kay's face twisted with the telltale signs of her impending release. It wouldn't be long before . . .

Biting her lip, she came with an

ear-splitting shriek. This prompted me to double my efforts. I fucked Teresa harder and faster. Having raised her head from Kay's dripping cunt, she peered at me over her shoulder.

"Come for me, Gus. I want your hot load."

I pulled out and stood there beside the sofa, wielding my glistening dick like a saber. Kay discarded the throw pillow, sat up and took me in her mouth. She sucked me for some thirty seconds before relenting. Then Teresa took over. They took turns giving me head, alternating like tag team wrestlers . . .

Kay.

Teresa.

Kay.

Teresa.

For a couple of lesbians they sure did love sucking dick. And they were good at it, too. Damned good. Perhaps they practiced on their dildos. Or maybe occasional dalliances with men kept their fellatio skills sharp. Either way, I was one happy tenant.

Happy.

Oh, yes.

And on the verge of busting a nut.

Grimacing and grunting, I withdrew from Kay's mouth and tugged myself to completion. It didn't take long. Three or four strokes did the trick. I dumped cum on Teresa's tongue, then drizzled Kay's tits.

Teresa got up to retrieve a roll of paper towels from the kitchen. She returned as the white utility truck pulled to the curb out front.

"Get dressed," I announced from my post at the window. "The plumber is here."

"He's early," Kay said.

"She sure is," I replied, peeking through beige mini blinds at the hottest plumber I had ever seen in my life.

The plumber had seemed impressed and genuinely appreciative when I had mopped the bathroom floor. "Thank you so much," she had said. "Most folks would think noth-

ing of me wading through slop . . .”

“Don’t mention it,” I had replied.

Now I stayed out of her way as she toiled in the bathroom. Of course I wanted to watch her work. She was a statuesque redhead with stunning green eyes. Her navy blue coveralls fit loosely on her tall frame, lending her a tantalizing aura of mystery. Surely there was a sublime body underneath all that baggy clothing.

I did some channel surfing, trying and failing to find something decent to watch on television. It wasn’t so much bad programming as a feeling of guilt; I felt lazy lounging on the sofa, remote in my hand, while the plumber worked her ass off. I felt like I should be helping her, doing something, anything to assist in the repair job.

I could hear Teresa and Kay traipsing around upstairs; their garbled voices came through the ceiling. No doubt they were talking about the hot plumber. Hell, they probably wished their toilet had been the one to overflow this morning; those two would have gladly endured such an inconvenience for the pleasure of ogling this blue collar beauty.

The morning threesome had come as a total surprise. A pleasant surprise, for sure, but a surprise all the same. I was still trying to wrap my head around the whole thing when the plumber emerged from the bathroom.

“You’re good to go,” she told me.

“Pun intended?” I asked.

She laughed. “I guess it all depends on what you had for breakfast.”

Two cups of strong coffee, pussy, and a tag team blowjob, I mused. Breakfast of champions . . .

“Thanks for coming out on a Saturday,” I said. “I don’t know what I would’ve done.”

“Not a problem. It wasn’t such a hard job. Not after I got in there with my snake.”

“Snake?”

“This thing.” She pulled a rod-

like device from her leather tool bag. “Plumber’s best friend.”

I’d like to show you my snake, I thought.

And maybe, just maybe, she was thinking along the same lines; because before she left she produced a business card on which she jotted her personal number.

“Call me anytime,” she said.

Not wanting to appear desperate, I waited three days before calling the plumber. She agreed to meet me at a midtown bar. Her name was Auburn, a fitting handle for a redhead. She had gone to college to be a newspaper reporter, a job she had held for two years before walking away to enroll in a vocational school where she had learned her current trade.

“I actually make more money as a plumber,” she told me.

“That doesn’t surprise me,” I said.

“It can be a pretty crazy job. You’d be amazed at the things people tell their plumber. Sometimes I feel like a shrink.”

Auburn matched me beer for beer. She tried to pay her tab, but I

wouldn’t hear of it. I accompanied her to her car. It had rained while we were inside. The pavement was slick.

“I like you,” she said, fishing keys from her purse, “but I don’t fuck on the first date.”

“I understand.”

“How about a blowjob?”

Her forwardness had caught me off guard. “Well—um,” I stammered like an idiot.

“Get in,” she said.

Auburn opened the door and slid behind the wheel. I got in on the passenger side. The parking lot was dark and crammed with cars but no people. Auburn unzipped my trousers, leaned over the console, and went to work. It didn’t take long for me to realize that she could handle more than one kind of snake.

She primed me expertly, skimming her lips up and down my turgid rod. I leaned back and sighed contentedly, delighting in the sounds filling the compact cabin. Auburn gave noisy head. She moaned, sucked, squelched and slurped, displaying a slutty enthusiasm for the act which greatly enhanced my excitement.

She had me harder than a nightstick. And on the brink of busting a nut. Surely Auburn was aware of my fast-approaching explosion. An experienced cock gobbler like her would have to be. Still, she kept right on polishing my pole, plunging her head with mechanical fury.

Did she want me to come in her mouth? There was only one way to find out. My cock throbbed between her ravenous lips, filling her with hot cum. She took it all, each and every drop, without complaint, ingesting my sizable load.

Already looking forward to our second date, I drove home in a state of blissful contentment. I thought about Teresa and Kay, imagined them getting it on with Auburn, a scorching hot girl/girl/girl party which need not include yours truly, just so long as they let me watch . . .

And play with my snake.
